We cannot share the images because Activision is issuing copyright takedown notices to anyone directly hosting them. If you're curious about the cover art, this is still currently available via Reddit and Imgur. This artwork doesn't confirm much, other than the World War 2 setting. It's also very clear from these images that there will be, as expected, several editions of the game, including cross-gen bundles.

PayPrizes operates like the other free Robux generators we've already spotlighted here. Here, you also earn reward points after answering survey questions, watching video clips, downloading recommended apps, and logging in daily.

Roblox is one of those games that seems to have been around forever. The free-to-play multiplayer game has been a hit with kids and adults alike for years. However, the allure of Roblox account generators has always been strong. Supposedly, they'll create an account loaded with free bonus items, and a stash of Robux to spend on items. This leaves one big question – are free account generators safe to use?

There's not a single Roblox experience that you can enter in the way you can hop into a world of vanilla Minecraft and immediately start building houses and crafting tools.
